

# Doing Your Taxes Is Easier Than Ever!

Now  
you can  
submit your  
tax information  
*securely and  
conveniently*  
via the Internet  
with  
Tax Notebook!

## More Convenient Than Ever!

In past years, you provided us your tax information using the traditional paper organizer. But with Tax Notebook, you'll enjoy a secure, online tax interview that allows you to submit your tax data using any PC with an Internet connection! You simply:

- Access Tax Notebook directly from our web site with a unique Logon ID and Password that we provide.
- Complete a streamlined tax interview that is much more intuitive than the traditional paper organizer.
- Submit your information with the click of a mouse! You can also print a copy of your tax data for your records.

Tax Notebook ensures that important information is not overlooked, and that you know exactly what information you need to submit to us. It's that easy!
